TEXT FOR READING

Dear Ann,

Thank you for asking me to come and visit you and your family next month. It is a great idea.

I am really interested in visiting new places. I like museums and old churches very much. I also like visiting art galleries – there are so many fascinating things to see there. I know there is one in your town. Can we visit it? You say that there isn't a sports centre in your town but is there a swimming pool? I enjoy swimming a lot and I love diving. Is there also a place to eat fish and chips? Fish and chip shops are great!

The only problem is that I don't know what to take with me: warm shoes, a jumper, boots? What's the weather like in your area? In my town it rains a lot and that's why I always carry an umbrella with me. And what about other things? For example, a camera?

Please send me a leaflet about your town and a street map.

One last question – how old is your sister, Gina? I want to bring her a present. Would she like the new Destiny's Child CD?

See you soon!

Josephine
